

LEARNING WELL, ENJOYING LIFE, EXCEEDING EXPECTATIONS

Monday 19th April 2010

Dear Parents,

Re: Extra-Curricular Activities (ECA) Programme Term 3

We plan to start our Extra-Curricular Activities (ECA) on Sunday 25th April 2010. Activities run by our school staff will incur no additional charges. Where activities are run by external instructors, additional costs may be incurred and these are clearly stated.

These activities take place between 1.40pm and 2.40pm. If, however your child's ECA starts later than 1.40pm you will need to supervise your child during this time. Please be prompt when picking up your child. This also applies to students who have a sibling taking part in an activity. School staff will not be available for supervision during this time and unsupervised students will not be permitted to remain on the campus.

We hope that all our children will take the opportunity to try something new, something fun or just something different. In all our ECAs there are a limited number of places so if requesting more than 1 activity please list your order of preference. We cannot guarantee that you will get your first choice, but we will try to give every child at least one activity as long as your form is returned by 7.30am on Wednesday 21st April 2010.

We have enclosed descriptions of all our ECAs to assist your child when choosing an activity.

We welcome any offers of assistance from parents and if you have a special skill or exciting hobby that you would like to share with the children, we would be happy to support you running an ECA.

Yours sincerely,

Head of Campus

Lego Robots

Build and Programme robots

Mr Sharry

Enterprising Artists

Calling all students who feel that they have a flair or interest in Art and Design and would like to showcase their talent!!!! Join Enterprising Artists

Students will work on collaborative/individual pieces of Artwork and Design using Doha as their inspiration, which will culminate in an Easter exhibition within a gallery context / a location in Doha highlighting the fantastic work of Compass Students as contemporary young Artists and Designers.

Miss McAinsh

Drama

In drama this term we will be focusing on preparing for the musical 'Bugsy Malone'. We will perform this play towards the end of the term in June. If you would like to come and join our group there is room for some more talented actors!

Mrs Gould

Enigma the Code Breakers

Write secret messages, problem solve and analyze questions for patterns. All these are key math's skills that will be developed in this ECA. Learn to write a coded message and crack the code for the secret message given. How many people will it take to deliver a message and not let the enemy learn your secrets? How can you guarantee victory in the election? Find out the answer to these pressing questions while working as a team.

Mr Holmstrom

Arabic as Second Language

The activity will be Arabic second language: reading, writing and conversation

Gardening

In this club we will work to plant several flower beds and hopefully some small vegetable gardens around the school. We will also use planters to create small gardens on each of the porches. Students are expected to attend each session and be ready to get their hands dirty in the soil. The school will provide materials. We will meet every Wednesday at 1:45. Looking forward to seeing you there.

Mr Raisdana

Table Tennis

This sport involves up to 4 players and will be a great opportunity to improve your hand/eye co-ordination. It is fast and lots of fun.

Mr Bomford

Music

In our Music ECA, the students will learn to sing and play songs from our school production 'Bugsy Malone,' which will be debuted on Tuesday 15th and Wednesday 16th June 2010. Students will not only develop their talents, music theory and instrumental skills on the bass guitar, electric guitar, keyboard, drum kit, hand drums and percussion instruments, they will also have lots of fun in the process!
